

Suyog Telematics Limited
Insider Trading Code of Conduct

Introduction

Regulation 9 of the Regulations requires the board of directors of every listed company and market intermediary to formulate a code of conduct to regulate, monitor and report trading by its employees and other “connected persons”, towards achieving compliance with the Regulations, without diluting the provisions of the Regulations in any manner. This code must be read with SEBI (Prohibition of Insider Trading Regulations), 2015, subject to amendments from time to time.

Suyog Telematics Limited, hereby notifies that this Insider Trading Code of Conduct (The Code).

A. Definitions

- 1) “**Act**” means the Securities and Exchange Board of India Act, 1992 (15 of 1992);
- 2) “**Company**” means Suyog Telematics Limited;
- 3) “**Compliance Officer**” means the Managing Director of the Company or the Company Secretary for the purpose of administration of the Insider Trading Code.
- 4) “**Connected Person**” means a connected person as defined in Regulation 2(1)(d) of the Regulations and for the purposes of this Code, includes:

Any person who is or has during the six months prior to the concerned act, been associated with the Company, directly or indirectly, in any capacity including by reason of frequent communication with its officers or by being in any contractual, fiduciary or employment relationship or by being a director, officer or an employee of the Company or holds any position including a professional or business relationship between himself and the Company, whether temporary or permanent, that allows such person, directly or indirectly, access to Unpublished Price Sensitive Information or is reasonably expected to allow such access.

- 5) “**Dealing in Securities**” means subscribing, buying, selling or agreeing to subscribe, sell or deal in any securities either as principal or agent and includes exercising of options;
- 6) “**Deemed Connected Persons**” - Without prejudice to the generality of the foregoing, the persons falling within the following categories shall be deemed to be connected persons unless the contrary is established -
 - an immediate relative of connected persons specified in clause 2; or
 - a holding company or associate company or subsidiary company; or
 - an intermediary as specified in section 12 of the Act or an employee or director thereof; or
 - an investment company, trustee company, asset management company; or
 - an employee or director thereof; or
 - an official of a stock exchange or of clearing house or corporation; or
 - a member of board of trustees of a mutual fund or a member of the board of directors of the asset management company of a mutual fund or is an employee thereof; or

- a member of the board of directors or an employee, of a public financial institution as defined in section 2 (72) of the Companies Act, 2013; or
- an official or an employee of a self-regulatory organization recognised or authorized by the Board; or
- a banker of the company; or
- a concern, firm, trust, Hindu undivided family, company or association of persons wherein a director of a company or his immediate relative or
- banker of the company, has more than ten per cent of the holding or interest;

It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information about any company or class of companies by virtue of any connection that would put them in possession of unpublished price sensitive information.

7) "Designated Persons" includes:

- Board of directors of the Company
- Key Managerial Personnel of the Company
- Any other person as identified by the Compliance Officer

8) "Immediate relative" means a spouse of a person, and includes parent, sibling, and child of such person or of the spouse, any of whom is either dependent financially on such person, or consults such person in taking decisions relating to trading in securities;

9) "Insider" means any person who is:

- a connected person; or
- in possession of or having access to unpublished price sensitive information;

Since "generally available information" is defined, it is intended that anyone in possession of or having access to unpublished price sensitive information should be considered an "insider" regardless of how one came in possession of or had access to such information. Various circumstances are provided for such a person to demonstrate that he has not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to unpublished price sensitive information. The onus of showing that a certain person was in possession of or had access to unpublished price sensitive information at the time of trading would, therefore, be on the person leveling the charge after which the person who has traded when in possession of or having access to unpublished price sensitive information may demonstrate that he was not in such possession or that he has not traded or he could not access or that his trading when in possession of such information was squarely covered by the exonerating circumstances.

10) "Unpublished Price Sensitive Information" or "UPS I" means any information, relating to the Company or its securities, directly or indirectly, that is not generally available which upon becoming generally available, is likely to materially affect the price of the securities and shall, ordinarily including but not restricted to, information relating to the following:

- financial results;
- dividends;
- change in capital structure;
- mergers, de-mergers, acquisitions, de-listings, disposals and expansion of business and such other transactions;
- changes in key managerial personnel; and

- material events in accordance with the listing agreement amended from time to time.

Words and expressions used and not defined in this Code shall have the respective meanings assigned to them in the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; Securities and Exchange Board of India Act, 1992, the Companies Act, 2013 and rules and regulations made thereunder.

B. Implementation of the Code

Compliance Officer shall be responsible for implementation of the Code.

C. Trading Plan

- 1) An insider shall be entitled to formulate a trading plan and present it to the compliance officer for approval and public disclosure pursuant to which trades may be carried out on his behalf in accordance with such plan.
- 2) Such trading plan shall:—
 - i) not entail commencement of trading on behalf of the insider earlier than six months from the public disclosure of the plan;
 - ii) not entail trading for the period between the twentieth trading day prior to the last day of any financial period for which results are required to be announced by the issuer of the securities and the second trading day after the disclosure of such financial results;
 - iii) entail trading for a period of not less than twelve months;
 - iv) not entail overlap of any period for which another trading plan is already in existence;
 - v) set out either the value of trades to be effected or the number of securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected; and
 - vi) not entail trading in securities for market abuse.
- 3) The compliance officer shall review the trading plan to assess whether the plan would have any potential for violation of these regulations and shall be entitled to seek such express undertakings as may be necessary to enable such assessment and to approve and monitor the implementation of the plan.
- 4) The trading plan once approved shall be irrevocable and the insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the securities outside the scope of the trading plan.

Provided that the implementation of the trading plan shall not be commenced if any unpublished price sensitive information in possession of the insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation and in such event the compliance officer shall confirm that the commencement ought to be deferred until such unpublished price sensitive information becomes generally available information so as to avoid a violation of sub-regulation (1) of regulation 4.
