Suyog Telematics Limited recognized as one of the "Top 100 SME's of India" by the India SME Forum in "Axis Bank presented India SME 100 Awards for the year 2015-2016"

Mumbai, April 28, 2017 – Suyog Telematics Limited, growing passive telecommunication infrastructure provider in India, has been recognized as one of the "Top 100 SME's of India" by the prestigious India SME Forum in "Axis Bank presented India SME 100 Awards for the year 2015-2016".

It is a great honour to be ranked and chosen amongst over 40,000 nominations filed by SMEs from all over the country and we are delighted to share our happiness.

Evaluation parameters included Growth Performance, Financial Soundness, Innovation, People Capital, International Outlook and Corporate Governance. The Jury included **Mr. Prahlad Kakar**, Advertising and Branding Guru, Genesis Film Production Pvt. Ltd.; **Dr. Anup K Pujari IAS**, Ex – Secretary, Ministry of Micro, Small and Medium Enterprises Government of India; **Dr. J.S.Juneja**, Chairman Global Projects & Services (P) Ltd.; **Mr. Sunil Alagh**, Former MD & CEO, Britannia; **Mr. Nikesh. Sinha**, Head Medium Enterprises Group (segment within SME department), Axis Bank etc. to name a few.

"Suyog Telematics continues to prove itself. We are consistently improvising to match with the competition, keeping ourselves highly updated of fastly changing telecom industry in India. All our new initiatives have drastically improved productivity as they are low cost models & easily deployable in shortest possible time in most difficult areas thereby improving productivity & profitability of the company. To be recognized in Top 100 SME's in India is another feather in our cap." said Mr. Shivshankar Lature, Promoter – Managing Director, of the Company.

About Suyog Telematics Limited

Suyog Telematics Limited is an ISO 9001: 2008, ISO 14001:2015 & OHSAS 18001:2007 certified company, is a growing passive telecommunication infrastructure provider in India, engaged primarily in the business of installing and commissioning of Poles, Towers and Optical Fibre Cable (OFC) Systems in India. We are a Service Provider of Fiber Optic Network Solution, Tower Erection Service and Pole Erection Service. "Passive infrastructure" refers to the telecommunication towers for wireless telecommunication services and "OFC" is used for the purpose of hosting and assisting in the operation of the active infrastructure used for transmitting telecommunications signals or transporting voice and data traffic. Suyog Telematics specializes in innovative solutions which are different from the existing tower sharing concept. It has spearheaded the concept of poles for telecom infrastructure atop flyovers/bridges.
